

SPRING 2021 PAPER, INK, AND GLUE OH MY!

Creating heart art together at home using resources we already have.

TUESDAY NIGHTS
7 PM - 9 PM
VIA ZOOM

March 2 & 9

REPETITIVE CONCEPTS TO RECONNECT WITH OUR HEART

Drawing lines in repetitive patterns can create a calming form of art. Join us on week 1 as LA instructs us through easy to follow sequences to learn a few different designs. In week 2 we will continue with the repetition of line drawings and taking it to the next level where we will be expressing outside of the hearts. Incorporating writings and growing outside our comfort zones.

March 23 & 30

PIECING OUR HEARTS TOGETHER WITH PAPER

Who says you can't make ART? In week 3, Sandra C will show you how easy it is with just a few basic materials that you have around the house. You can make a beautiful Collage!
In week 4, led by Sandra B we will be creating a different way of collaging, by rolling our paper and maneuver it into a desired shape.

April 13 & 20

EXPRESSING YOUR HEART WITH SOMETHING YOU LOVE

Do you have a project on the go or want to continue working on a technique from the previous week's mediums? Bring your supplies along to week 5 and continue to create your heart out.
Let's bring this module together in week 6. Come prepared with your finished art projects and expressive writing responses to share amongst friends.
