Dear St. Andrew's Supporter,

Re: "A Sign for The Times"

On behalf of the Session we are writing to let you know of an exciting project being undertaken by our church at the initiative of the Membership Team.

Over 40 years ago, you or members just like you, supported a "new & modern" backlit sign to help tell people where we are and relay important information about our congregation. That sign served us well, but is now worn out. **Today**, you have an opportunity to support a new digital sign that is informative, eye-catching, and easily updated; a sign that reaches out to our community --- **A Sign for The Times!**

The new sign design can be seen on our website. The total estimated cost for the sign, permit and installation is expected to be \$28,000. The Membership Team members have made lead gifts totaling \$17,800. We need everyone to donate in order to put us over the top*.

We would like to thank you in advance for your support. We hope to have the money raised and the sign installed in time to welcome our newly called minister the Rev. Joanne Lee. Your contribution will help us achieve this goal.

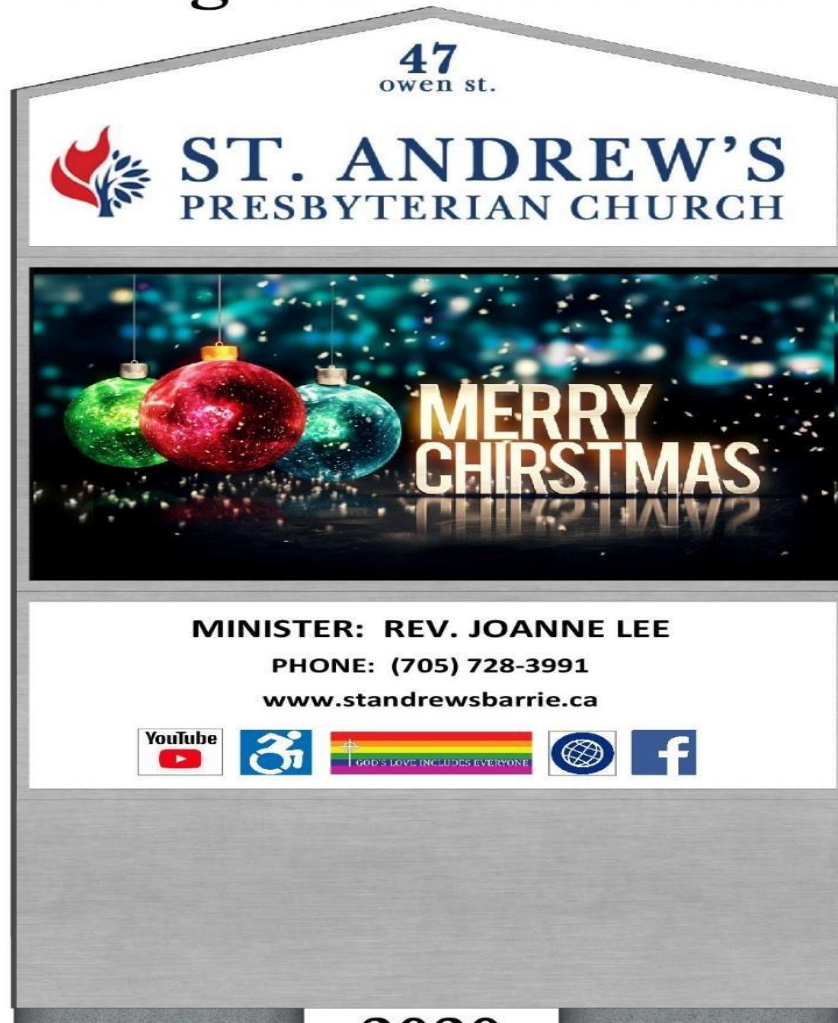

The enclosed "I Can Help" card outlines the various ways you can contribute toward the new sign.

Your generosity to St. Andrew's continues to be appreciated and we are hopeful that you will consider a gift to this important and necessary project.

Sincerely yours in Christ,
*The Stewardship Team &
The Membership Team*

*Excess funds donated will go to the ongoing costs of upgrading the technology in our building.
